

Arizona Science Center Presents

Bio BUZZ

These family-friendly, 20-minute lectures are designed to stimulate conversation and inquiry surrounding a variety of topics within the field of bioscience in a “kid-friendly” format. Family members get to talk with scientists, researchers and health workers.

Getting Into Medical School
Jan. 16, 10:15-10:45 a.m.

Dangerous Desert Dirt
Apr. 17, 10:15-10:45 a.m.

Multiplicity: Human Cloning
Feb. 27, 10:15-10:45 a.m.

A Day in the Life of a Scientist
May 15, 10:15-10:45 a.m.

Ask-A-Biologist Website Tour
Mar. 13, 10:15-10:45 a.m.

Multiplicity (Human Cloning)
June 5, 10:15-10:45 a.m.

FREE, With General Admission | For more information, visit azscience.org

The *Bio Buzz* series was made possible through a five-year Science Education Partnership Award (SEPA) from the National Center for Research Resources at the National Institutes of Health. This program will give students and the general public a glimpse into the human body, its parts and processes, and new advances in biomedical research and technology.
