

HOME SCHOOL PROGRAMS 2010-2011

Suggested for children ages 6-10 with an adult.

Presented in partnership with Arizona Science Center and Usery Mountain Regional Park.

Don't miss these exciting, experiential programs! Each class features a hands-on class presented by Arizona Science Center. Then, venture outdoors with Usery Park rangers to explore nature and put into practice what you've just learned! Pack a lunch and enjoy the rest of the day to explore on your own.

Water Cycle

Sep. 17, 2010, 9 a.m.–12 p.m.

You can't live without water and it covers most of the Earth! Become a drop of water and move through the water cycle.

Bats Incredible!

Oct. 22, 2010, 9 a.m.–12 p.m.

They fly at night and eat thousands of insects. Join us in the study of these unique creatures.

Owl Pellets

Nov. 19, 2010, 9 a.m.–12 p.m.

The wise old owl leaves clues about its meals. As you study the evidence, you will determine what an owl eats.

Cat-a-pults

Jan. 21, 2011, 9 a.m.–12 p.m.

In this very active, hands-on workshop, you will learn the basics of our crafty cat-a-pults; then you will participate in a "cat" challenge.

Pre-registration is required through Arizona Science Center.

Members: \$15 for the first parent and child;
Non-Members: \$20 for the first parent and child. \$5 for each additional child.

Please note that there is also a \$6 per vehicle fee to access the park.

To register, please call 602-253-4219 ext. 234 or email campbellm@azscience.org.

The Eyes Have It!

Feb. 11, 2011, 9 a.m.–12 p.m.

Can you see in the dark? Do you know why the eyes of some animals glow at night? Dissect a real cow eye and compare it to your eyes.

Beautiful Butterflies

Note there is an extra \$5 charge for each participating child.

Mar. 18, 2011, 9 a.m.–12 p.m.

Registration closes Mar. 15.

Bring the metamorphic cycle to life in your home. Make a butterfly habitat, receive painted lady butterfly larvae and take them home to watch their beautiful transformation.

Classes are non-refundable!
