Through a variety of innovative programs, Science on Wheels sparks excitement in your students with programs ranging from large scale school assemblies and family nights to intimate classroom experiences.

All of our in-depth, hands-on, in-your-classroom programs consist of grade-specific content that supports Arizona College and Career Readiness Standards and the Next Generation Science Standards.

IN-PERSON GUIDELINES

- Limit sharing of high touch materials.
- Cleaning protocols of surfaces, equipment, and/or material meet CDC guidelines.
- All Guests two years of age and older will be required to wear appropriate face masks or cloth face coverings.
- When possible, all Science on Wheels events should be held outdoors.
- Participants will be required to follow social distancing guidelines (maintain a distance of 6 feet apart).
- Participants who are feeling ill will be encouraged to stay home.
- Any sites unable to meet these requirements can explore our virtual programming options.
