ADAPT quickly to new information
INNOVATE
TAKE RISKS

Inform decisions with DATA

COLLABORATE with clarity, transparency, and diversity or perspectives

Foster TRUST with all stakeholders:
Our team | Our customers
Our partners | Our community
ARIZONA SCIENCE CENTER
STRATEGIC PILLARS

Inspiring Science Experiences

GOAL: Champion the relevance and importance of science and science learning and literacy by researching, developing and providing engaging, interactive science content and experiences across an array of platforms.

OBJECTIVE ONE: Invest in the physical facility, including new and reimagined galleries and immersive experiences, technology infrastructure and content across all platforms:
• Virtual/Digital
• On-site/Off-site

OBJECTIVE TWO: Explore opportunities to live-stream virtual experiences, Dorrance Planetarium presentations, CREATE at Arizona Science Center projects, and additional opportunities as they become available.

OBJECTIVE THREE: Attain above a 90+% favorable rating on science programs and experiences from customer users, Guest, Community Partners and Team Members.

Customer Engagement, Diversity, and Growth

GOAL: Grow, diversify, and engage more deeply with all of Arizona Science Center’s stakeholders. Learn, adapt, and respond quickly and empathetically, to meet our guests where they are.

OBJECTIVE ONE: Create and deliver a regular, consistent, programming schedule for new target market segments to strengthen relationships and convert periodic customers into Members.

OBJECTIVE TWO: Formalize measurement and evaluation of quantitative and qualitative customer data and consistently reevaluate visitation and Membership goals across all of our products and platforms.

OBJECTIVE THREE: By the end of FY21, produce all new signage and written materials in both English and Spanish.

Community Connection

GOAL: Provide equitable access to science resources and deliver high-quality, research-based, standards-aligned, interactive science content to families and educators in our community, state, and beyond.

OBJECTIVE ONE: Measure and evaluate our impact on underserved populations across all of our product offerings and identify opportunities to expand reach.

OBJECTIVE TWO: By the end of FY21, produce all new signage and written materials in both English and Spanish.

OBJECTIVE THREE: Increase qualified applicants per job posting by 50% within 18 months.

Operational Excellence and Capacity

GOAL: Foster a fulfilling, exciting, inclusive learning environment that sets clear goals, processes, and expectations in order to attract, retain, and develop top talent and to standardize excellence in all product offerings.

OBJECTIVE ONE: Outline strategies, structures, and processes to develop and implement an Inclusion and Diversity Action Plan that is unique to Arizona Science Center.

OBJECTIVE TWO: Team Members are able to explain our mission, describe how their role contributes to us achieving the goals of the strategic plan, and identify specific accomplishments that have contributed to that success.

OBJECTIVE THREE: Expand local awareness and understanding of Arizona Science Center’s contributions to the community.

Brand Equity

GOAL: Earn the trust of all stakeholders exposed to and engaged with Arizona Science Center. Increase awareness and understanding of Arizona Science Center’s mission, community engagement and impact locally, nationally, and internationally.

OBJECTIVE ONE: Continue to invest in developing, delivering, and enhancing quality science experiences and programs that exceed customer expectations, generate repeat purchase, and positive word of mouth.

OBJECTIVE TWO: Identify and pursue opportunities and partnerships to expand Arizona Science Center’s reach and reputation nationally and internationally.

OBJECTIVE THREE: Expand local awareness and understanding of Arizona Science Center’s contributions to the community.
