

ARIZONA SCIENCE CENTER

TITLE 1 GROUPS FAQ

Thanks to APS, K–8 Title I schools can qualify for free general admission for students, teachers and chaperones when educators complete Arizona Science Center’s Focused Field Trip Orientation.

Important Note: Title 1 free admission cannot be applied towards High Volume Peak Dates. The \$20 booking fee applies to all Title 1 schools.

How do I know if I qualify for a Title 1 Field Trip?

- Educators must work for a K–8 school that meets Arizona Department of Education requirements for being a Title I school, including having at least 40% of enrolled students on free or reduced lunch
- All teachers participating in a school field trip must complete the online program for field trip participants to receive free admission

How do I apply for a free Title 1 Field Trip?

- Visit our Website: <https://www.azscience.org/learn/educators/field-trips/>
- Fill out our “Book your group visit” Form. When filling out the form, select that you are from a Title 1 School.
- Complete the orientation video can be accessed through the “Book your group visit” Form.
- If the training is not completed, the group will be charged the group rates of \$14.95 for educators/adults and \$11.95 for students/children.

What is Focus Field Trip Orientation?

- This online program covers the myriad ways in which educators can use our exhibits and galleries as extensions of the classroom and provides tips for leading a successful field trip. Educators must complete the following requirement, and receive a certificate of completion, to earn their free field trip.

Who needs to complete the Focus Field Trip Orientation?

- All teachers working with students on the Title 1 field trip are required to complete the Focus Field Trip Orientation (FFTO), and this qualification must be renewed each year.
- The orientation video can be accessed through the Field Trip Request form.

What is the High Volume Peak Date?

- During Peak High Volume Dates Title 1 schools will be charged an admission fee of \$2 per person (including both adults and students).
- Please see our Fall and Spring Peak Dates Calendars below.

What is the ratio of Adult to Student?

- Group Reservations have a policy that requires one Chaperone for every five students (ages 3-17).
- The number of teachers attending a field trip is not used to fulfill the 5-1 ratio. The ratio must be fulfilled by the number of Chaperones to Students.
- Any extra Chaperones or guest exceeding the 5-1 ratio must purchase their own Admission ticket online or at the door.

What is included in my Free Title 1 Field Trip?

- All levels of the museum are included with your admission. The only exception to this would be the special exhibit.
- Dorrance DOME, Giant Screen Theater, Minishop, and CREATE/Science on Wheels workshops are an extra cost. Each add-on is subject to availability.

What Add-on Experiences can I include in my Title 1 Field Trip?

- Dorrance DOME - \$6 per person
- Giant Screen Theater - \$8 per person
- Minishop - \$8 per person
- Please refer to our Field Trip packet for more information about our CREATE and Science on Wheels Workshops: <https://www.azscience.org/media/lzig0rtt/asc-field-trip-packet-2026.pdf>
