IGNITE CURIOSITY – WHERE EVENTS MEET EXPERIMENTS

INCLUDED WITH ALL RENTALS: BASE EVENT PACKAGE

Your event rental starts with a base package crafted to fit your event's needs — here's what's included:

□ LEVEL 1

INCLUDES:

- Two (2) Dazzling Demonstrations
- Two (2) Blue Crew Informal Science Educators
- One (1) Curiosity Cart Demonstration

STATES OF MATTER

States of Matter demonstrates the three main states of matter. Guests will see how liquid nitrogen creates huge geysers, freezes liquids, and contracts gases to their solid molecular form. The demonstration focuses on how the states and liquid nitrogen interact with each other to bring a wonderful learning experience for the audience.

GREAT BALLS OF FIRE

Through a series of experiments, guests learn about the three ingredients needed to start and sustain a fire. In each experiment, two of the three ingredients are mixed together and the third is introduced to create a fire!

□ LEVEL 3

INCLUDES:

- One (1) Dazzling Demonstrations
- One (1) Blue Crew Informal Science Educator
- One (1) Curiosity Cart Demonstration

All activities are tied to the current traveling exhibition in the Sybil B. Harrington Gallery.

EVENT PACKAGE ADD-ON OPPORTUNITIES

DEMONSTRATIONS *AVAILABLE FOR LEVEL 3 AND CREATE*

☐ **STATES OF MATTER DEMONSTRATION**

\$400 FOR 2 SESSIONS

Includes two 30-minute shows: an opening and a closing demonstration.

CURIOSITY CART DEMONSTRATION *AVAILABLE AT ANY LEVEL*

INCLUDES:

-ONE (1) BLUE CREW INFORMAL SCIENCE EDUCATOR

☐ **CREEPY CRITTERS CART**

\$255 PER CART FOR THE EVENING

Interact with live insects and arachnids.

☐ **TEST YOUR SENSES**

\$255 PER CART FOR THE EVENING

Explore the five senses with a tasting adventure featuring miracle berries—a flavor-bending trick sure to impress your guests.

☐ **TOXINS IN NATURE**

\$255 PER CART FOR THE EVENING

Explore poisons and venoms in nature through 3D-printed specimens, skulls, and real biological samples.

☐ **MICROSCOPE SCIENCE**

\$255 PER CART FOR THE EVENING

Guests exploring objects inspired by the featured exhibit to reveal the unseen world using a digital microscope (10x–220x magnification).

☐ **STATES OF MATTER MINI DEMO CART**

\$255 PER CART FOR THE EVENING

Guests exploring a series of engaging mini demonstrations on a mobile cart, exploring the three states of matter through liquid nitrogen. A substance found only on distant moons so cold it boils.

☐ **TECHNITRINKETS**

\$255 PER CART FOR THE EVENING

Discover the fundamentals of 3D printing and modern technology, then watch as your custom-branded creation comes to life, printed right before your eyes. Plus tiered custom print pricing of \$8, \$12, or \$25 per person for custom branded takeaway (advanced notice required)

TECH CART PRICING TIERS

CUSTOM 3D PRINT SOUVENIR

All tiers include two (2) consultation sessions with makerspace technicians

COST	3D PRINT	LASER	CUSTOMIZATION ADD-ON (PER ITEM)
\$25	TROPHY	GIFT BOXES	GIFT BOXES
\$12	FIDGET COINS MULTICOLOR, TWO LOGOS	COASTER (WOOD OR ACRYLIC, ¼ INCH) – PRICES START AT \$12 AND VARY BY WOOD TYPE	1 INCH LOGO (UP TO 2), SECOND COLOR +\$3
\$8	BRANDED TAKEAWAY (1x3 OR 2x2) - SINGLE COLOR	3-INCH SCIENCE SCENE WOODEN PUZZLE	ONE 1 INCH LOGO +\$3

FACILITATED EXPERIENCES

45-60 MINUTES | UP TO 30 PARTICIPANTS | \$300 PER GROUP

Ideal for clients seeking a hands-on, interactive addition to their event. Our educators engage guests directly, delivering a more intimate, personalized, and memorable experience. Includes dedicated Blue Crew Informal Science Educators for a personalized experience.

Please allow 20 minutes between sessions.

MINI SHOP MAKER EXPERIENCE

Make a STEAM-inspired activity with supplies provided from our makerspace cabinet. Themes change monthly.

LITTLEBITS

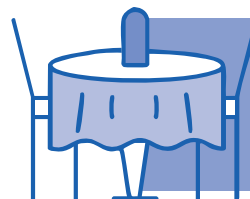

Build circuits using snap-together electronics. Promotes teamwork, communication, and creative problem-solving.

RADROCKETS

Design and launch paper rockets using engineering principles. Great for collaboration and competition.

MAKEYMAKEY

Turn ordinary objects into game controllers using conductive materials. Encourages imagination and group participation.

CUSTOM FABRICATION

Price varies based on the material and size of the requested item.
